

Freedom Plan

Product Summary

In instances where electricity prices are on the climb, the Patriot Energy Freedom Plan is ideal. Although it can never be certain if the electricity markets will rise or fall, there are certain instances when historical trends, oil and natural gas pricing along with other market indicators can signal future prices with a high degree of probability.

If electricity prices continue to rise, the sooner you fix your price the more savings you will recognize.

Features & Benefits

Initial:	
Date:	

- Fixed Energy Price*
- Terms from 3 to 60 months*
- Budget Certainty*
- 100% Hedged*
- Subject to Credit Approval*
- May be subject to usage bands and ancillary charges*
- Liquidation Damages may apply*

Patriot Energy Group, Inc. shall assess an early termination penalty calculated by multiplying the historical average monthly usage as depicted on the utility bill by the remaining months of the term by \$.005. Additional penalties and other fees may apply upon breach per supplier contract(s).

Patriot Energy neither represents nor guarantees that this plan will result in higher or lower costs in the future when compared to the utility's SOLR price. This document is not a contract for electric supply and Patriot Energy does not warrant the terms above fully or accurately represent the terms of actual electric supply.
